Please be aware that most travel insurance policies will refuse to pay out on a travel insurance claim if your travel insurance has been purchased after a particular period of time since booking for the tour. This period may be one week to one month. Please check with your travel insurance provider to ensure you are fully covered at the time of purchasing travel insurance. It is highly recommended that if you do purchase travel insurance, that you do not delay this purchase much beyond the tour booking date.

- 5.3 Compliance with itinerary. Subject to our right to amend the Itinerary (see clause 5.4) we will supply the Tour to you in accordance with the Itinerary that we send you under clause 5.2.
- 5.4 Changes to Itinerary. We reserve the right to amend the Itinerary if required by any applicable statutory or regulatory requirement, or if the amendment will not materially affect the nature or quality of the Tour. We will notify you in advance of any such event and any alteration in the Itinerary. This applies to all logistical changes, including that of advertised hotels or vessels. Any changes to the Itinerary will not give you the right to cancel the Contract, without us deducting the amounts under clause 4.2.
- 5.5 Tour materials.
- (a) We will send you a predeparture information sheet approximately two months before the scheduled start date of the Tour, this includes but is not limited to information concerning your passport, visa and health requirements, emergency contact details, as well as details of climate, what to bring, recommended reading etc.

- 5.9 Reasonable care and skill. We warrant to you that the Tour will be provided using reasonable care and skill.
- 5.10 Time for performance. We will use all reasonable endeavours to meet any performance dates specified in the Booking Confirmation, but any such dates are estimates only and failure to perform the Tour by such dates will not give you the right to cancel the Contract, without us deducting the amounts under clause 4.4.

6 Your obligations

- 6.1 It is your responsibility to ensure that:
- (a) the terms of your booking are complete and accurate;
 - (b) you co-operate with us in all matters relating to the Tour;
 - (c) you provide us with such information and materials we may reasonably require to supply the Tour, and ensure that such information is complete and accurate in all material respects;
 - (d) you obtain and maintain all necessary international flight tickets, visas, permissions and consents which may be required for the Tour before the date on which the Tour is to start;
 - (e) you are emotionally and medically fit for the Tour; and
 - (f) you comply with all applicable laws, including health and safety laws.
- 6.2 If our ability to perform the Tour for you is prevented or delayed by any failure by you to fulfil any obligation listed in clause 6.1 (Your Default):
- (a) we will be entitled to terminate the contract under clause 13;
 - (b) we will not be responsible for any costs or losses you sustain or incur arising directly or indirectly from our failure or delay performing the Tour; and
 - (c) it will be your responsibility to reimburse us on written demand for any costs or losses we sustain or incur arising directly or indirectly from Your Default.

7 Tour Prices

- 7.1 General
- (a) In consideration of us providing the Tour you must pay our tour prices (Tour Prices) in accordance with this clause 7.
 - (b) The Tour Prices are the prices quoted on our website at the time you submit your booking, and as detailed in our email to you under clause 3.1. If there is a conflict between the Tour Prices quoted on the website and in the email under clause 3.1, the Tour Prices in the email we sent you under clause 3.1 shall prevail.
 - (c) We use our best efforts to ensure that the prices stated for the Tour are correct at the time when the relevant information was entered into the system. However, please see clause 7.1(e) for what happens if we discover an error in the price of the Tour you booked.
 - (d) Our Tour Prices are exclusive of VAT unless otherwise stated. Where VAT is payable in respect of some or all of the Tour you must pay us such additional amounts in respect of VAT, at the applicable rate, at the same time as you pay the Tour Prices.
 - (e) It is always possible that, despite our best efforts, the Tour on our website may be incorrectly priced. If the correct price for the Tour is higher than the price stated on our site, we will contact you in

writing as soon as possible to inform you of this error and we will give you the option of continuing to purchase the Tour at the correct price or cancelling your booking. We will not process your booking until we have your instructions. If we are unable to contact you using the contact details you provided during the booking process, we will treat the booking as cancelled and notify you in writing. However, if we mistakenly accept and process your booking where a pricing error is obvious and unmistakable and could reasonably have been recognised by you as a mispricing, we may cancel your booking and refund you any sums you have paid.

- 7.2 Currency fluctuations. We have the right to increase the Tour Prices by notifying you in writing at any time before we issue our invoice to you if the Tour costs increase because of foreign exchange rate fluctuation between the local currency of the country where the Tour takes place and the U.S. dollar. If we must increase the Tour Prices by more than 10% of the Tour Prices quoted on our website, then you have the right to cancel or transfer your booking to another Tour. If you choose to cancel the Tour then we will refund you in full for the price you paid for the Tour, and we will not deduct any amounts if you notify us no later than 7 days after receipt of our notice to you of the increase in the Tour Prices.

We list our tours in a number of currencies on our website. The tour price is however fixed only in the currency printed in bold, and the actual cost in the other currencies listed will be adjusted according to prevailing exchange rates at the time of final invoicing (usually 4 months before the tour.) The same applies to approximate flight and single supplement rates, which are also quoted in the respective fixed currency.

- 7.3 Domestic flights. We will book and buy airline tickets for your domestic flights for the Tour (if domestic flights are required). The costs for the domestic flights are set out in the email to you under clause 3.1, and must be paid together with your payment under clause 3.1. The costs for the domestic flights are not part of the Tour fees and are subject to changes and re-scheduling beyond our control. Any price difference in the actual cost of the domestic flights at the time we buy the airline ticket will be at your expense. Should there be any price difference in the actual cost of the domestic flights, we will add or deduct the difference to the Tour Prices in your invoice or issue a separate invoice to you if the Tour Prices have been paid in full.

- 7.4 Additional Tour Prices. We have the right to claim from you any extra costs incurred by us for domestic flights booked on your behalf or any additional Tour expenses incurred by us for you during the Tour caused by any Event Outside Our Control (including but not limited to, extra domestic flight costs, our suppliers or business partners increasing the costs of goods or services included in the Tour or additional accommodation resulting from logistical delays caused by weather conditions, damaged roads or any other infrastructure, mechanical defects, violence, wars or cancellation of scheduled flights by the carrier).

7.5 Single Supplements

- (a) The single supplement price is detailed on our website and will be charged if you want single accommodation. This single supplement is based on the estimated actual cost of a single room for the duration of the Tour. Sometimes single rooms are of inferior quality to double rooms and we take this into account when we calculate the single supplement charge.
- (b) If we cannot provide you with a rooming partner even if you choose to share, the single supplement will become applicable. We will make all reasonable efforts to ensure that a rooming partner is found if you want to share. Rooming partners will be allocated in order of booking unless a participant requests a specific rooming partner who has not been matched. If your allocated rooming partner cancels before the start of the Tour, the single room supplement will become applicable to you unless we find another rooming partner for you. If you choose to share a room and during the Tour, you or your rooming partner decide to no longer share a room, any additional costs incurred will be shared equally between you and your rooming partner.
- (c) Sometimes single rooms are not available, and you will have to share a room. This may be detailed in the Itinerary (e.g. where the entire group all share a dormitory-style room or rooms, or when we need to use a lodge that doesn't have enough rooms to service the entire group) and we will then calculate the single supplement to exclude any additional costs for these nights. If single rooms are not be

available due to room limitations at certain hotels. then the single supplement for that part of the Tour will be refunded to you within a reasonable time after the Tour has finished.

- 7.6 Changes to the Itinerary. If we change the Itinerary under clause 5.4, and we downgrade the hotels or other services which were included in the original Itinerary, then we will refund you the difference in cost between the hotel or service as per the original Itinerary and the hotel or service in the amended Itinerary.
